

YMCA HAYO-WENT-HA CAMPS - 2020 EXTENDED ALASKA TRIP

PAYMENT SCHEDULE AND CANCELLATION POLICY

As extended trips require numerous upfront fees and deposits, charges for guide services, equipment rental, flights, etc., we have established a timeline for payments and developed a related cancellation policy.

A \$750 deposit is required, along with your enrollment contract, to enroll for the extended trip. The cost of the trip to the Extended Alaska will be **\$5,300** - this includes everything EXCEPT AIRFARE and personal spending.

The flights will be secured in mid-February to mid-March and you will be notified of the cost at that time. We will be working with a travel agent to secure the most economical flight possible. **The flight cost should be included with the April 1st payment.**

***** If an extended trip is full WITH a waiting list and a cancellation occurs, the next camper on the list will be contacted. If that camper takes the cancelled place, then the refunded amount to the canceling camper may be higher depending on that service provider's policy for changing names on the already made reservations for that trip. In this scenario, just those fees incurred by camp will be charged to the canceling camper. The minimum charge assessed to a canceling extended trip camper is \$250.**
