

YMCA Hayo-Went-Ha Camps Campership Policy

Dear Parent/Guardian,

Enclosed please find information to apply for a campership for your child to attend YMCA Hayo-Went-Ha Camps this summer. The following will need to be completed and returned to us in order to process your application:

- Campership application (one per **family**).
- Registration - please start this application process online for each camper
- Proof of income (your IRS Form 1040 or W-2 for 2020, or your most recent paystub.)

The deadline for Campership Applications is **March 15, 2021**. Applications received after that date will be accepted, however, depending on the available funds may not be processed.

Camperships will be limited to one 2-week or one 4-week session per camper, per summer. If we are unable to award you a campership, or if space is not available in the program of your choice, any amount you have already paid will be fully refunded.

We would like to encourage each successful application to write a thank you note to share with the camp community and donors. You can write and forward that to us here at camp at the conclusion of the program.

YMCA services and programs are designed for the entire community. YMCA Hayo-Went-Ha Camps' campership program helps assure an opportunity for all youth, adults and families to participate in the activities of the YMCA, based on their ability to pay. Campership applications are available online **beginning January 01, 2021** and will be accepted **through March 15, 2021**.

After campership applications have been processed you will be notified of the status of your application, no later than **April 30, 2021**, either via email or regular mail. If a campership is granted and you have not already registered with a minimum deposit online, you will be required to send a \$100.00 deposit for a 2 week program and \$200.00 deposit for a 4 week program within two weeks of the date of notification. If we do not receive your deposit within that two week period, your campership and enrollment will be forfeited.

Average awards are based on how many years your child has been awarded a campership. We would like to allow as many children as possible to experience camp at least once.

Year 1 - 95% of program fee

Year 2 - 70% of program fee

Year 3 - 60% of program fee

Year 4+ - 50% of program fee

Foster children are eligible for camperships; please contact the Camp Director(s) to discuss the specifics of that application process in greater detail.

We also encourage all families awarded a campership to join us at a Work Weekend to help set up our camps for the summer. Mark your calendars for April 30th - May 2nd, or May 14th - 16th, 2021. Even attending a portion of one of these weekends would be very helpful.

If you have any questions, please call the main office at (231) 544-5915 during regular business hours, or email us at registrar@hayowentha.org.

Sincerely,

YMCA Hayo-Went-Ha Camps Staff
