

NOTE: U.S. citizens returning home from Canada, Mexico, the Caribbean or Bermuda, by land or sea, are required to present one of the travel documents listed below.

U.S. Passport – This is an internationally recognized travel document that verifies a person's identity and nationality. It is accepted for travel by air, land and sea.

U.S. Passport Card – This is a new, limited-use travel document that fits in your wallet and costs less than a U.S. Passport. It is only valid for travel by land and sea.

INFORMATION REGARDING CLOTHING:

Old and sturdy clothing is best for camp; as it will get rough wear. Clothing for both warm and cold weather conditions is necessary since weather can, and often does, change quickly. A sweatshirt and light jacket works better than a heavy jacket in cooler weather. The number of articles will vary with each individual. Adult supervision in packing will guarantee needed items get packed. This is just as important for our veteran/older campers. Footlockers or trunks are handy for 4-week campers.

There are NO laundry facilities for campers at camp. Four-week campers will go one time to a coin operated laundry.

Two-week campers must bring enough clothing for that length of time. Two-weekers do not go to the laundry.

Please mark all articles of clothing and belongings with your camper's name or initials.

Please turn over for the packing list for the trip!

*This list is detailed and specific for the
